The names of grandparents were not being inserted in the birth certificate of children who were born between the year 1971-1978 as the Form No.5 i.e. birth certificate as provided in the Registration of Births and Deaths Act 1969 had no such Provisions.

The Registration of Births and Deaths Act, 1969 was amended subsequently and the columns were made to insert the grandparents name in the birth certificate of children thereafter w.e.f. the year 1979.

In the above matter, it has been observed that inspite of clear instruction issued to the Registrar of Births and Deaths of different Village Panchayats during annual refreshers training course, the members of general public while obtaining a copy of Birth Certificate for the year 1970-78 are issued Birth Certificate without entering the name of grandparent's.

Since, this directorate is of vehement opinion that any act is amended to cope up with the needs of general public and the beneficiary of the aforementioned amendment should not only be the people who were born **after the year after 1978 but also those who were born between the years 1971-1978.**

In view of foregoing paras, all Registrars and CRS (Civil Registration System) functionaries shall allow for insertion of grandparents names in the birth certificate of children who were born between 1971-1978 and now seeking copy of the same. However, the Registrars shall obtain the relevant documents upto their satisfaction.

Ref No.:- Letter No. CRSR/PER/397/2016 dated 24/11/2016

Sir/Madam,

I am to refer to above referred letter from Civil Cum Sub Registrar, Pernem Taluka on the above subject and would like to bring to your notice the factual position as under:-

1. The registration of births and deaths for the period upto year 1970 were done by the concerned Taluka office of Civil Registrar cum Sub Registrar. The records so created by the respective office thus belong/owned by the said respective office who is the custodian of the said records. Thus, it is obvious that the said offices who had originally created the documents is bound to preserve/manage as per requirements of rules and provide the mandatory services such of corrections, certified copies etc. to the citizens from time to time.
2. As the documents of births and deaths in possession of CRSR for period prior to 1970 are having archival value and needs to be preserved as per Court directions. It is the responsibility of the possessor/owner of the documents to take required remedial steps to act as per directions of Hon. Court in a time bound manner. The Department of Planning, Statistics and Evaluation does not have any space/manpower/expertise etc. to do the said job, nor is it the responsibility of this department to do the said work.

3. This Department is only a Nodal Officer and undersigned is a Chief Registrar of Births and Deaths in the State as per mandate given under RBD Act 1969. It is the responsibility of each of the local bodies /concerned Department to maintain and manage their all records of Births and Deaths as is being done by all the local bodies and GMC.
4. It is also brought to your kind notice that you being a Taluka Sub office of the department of Registration should place your grievance etc. if any before any HOD and requests you to follow the proper procedure and refrain from requesting this department for manpower/shifting of records etc. Your HOD is competent to guide and help you out in your problems and undersigned cannot interfere into ~~and~~ administrative matters of your office.

This is for your kind information please.

Yours faithfully,

(Vikas S. N. Gaunekar)

CIRCULAR

Sub: - Disposal of applications for correction in RBD records by Registrar of Births and Deaths

Whereas, it is observed that many citizens are filing applications for corrections of births and deaths records addressed to Director/Joint Director as Chief Registrar of Births and Deaths or Addl. Chief Registrar for Births and Deaths in this office.

And that, as per provision of Section 15 of the Registration of Births and Deaths Act, 1969 read with Rule 11of the Goa Registration of Births and Deaths Rules, 1999 the respective Registrar of Births and Deaths authorized by the Government is the competent authority to effect corrections etc. to the original entry as per provisions of the Registration of Births and Deaths Act, 1969.

In view of above, the Entry Clerk in this office shall accordingly advise the applicants to file the papers at appropriate place in their respective taluka where original birth or death was registered and to also refrain from taking entry of any documents/applications which are addressed to Registrar of Births and Deaths as no such authority exists in the department. Further, such wrongly addressed communication leads to inordinate delay in its disposal and inconveniences to the applicants.

Further, it is also observed that most of Registrars/Sub Registrars of Births and Deaths in various Panchayats, Municipalities, Goa Medical College, Civil Registrar cum Sub Registrar casually forward each and every application received for corrections etc. for approval from the Chief Registrar/ Addl. Chief Registrar of Births and Deaths. However, upon perusing the provisions of the Registration of Births and Deaths Act, 1969 and the Goa Registration of Births and Deaths Rules, 1999 it is amply clear that the Registrar of Births and Deaths who register the event of birth and death are the only competent authorities to effect corrections for the same. Also, other then giving advice /clarification in rare cases, the Chief Registrar of Births and Deaths or Addl. Chief Registrar of Births and Deaths is expected to

generally refrain from entertaining the applications for corrections etc. forwarded by Registrar of Births and Deaths from various taluka for approval as it may amount to unlawful interference into functioning of a competent independent authority. Further, as the Chief Registrar/ Addl. Chief Registrar of Births and Deaths have no access to original records of births and deaths which are in possession of the Registrars of Births and Deaths at taluka, giving any clearance or approval to go ahead with proposal may be inappropriate and result in incorrect decisions at times, this needs to be avoided.

Therefore, undesirable references by various competent authorities to this office further unnecessarily increases the burden of this office and also causes delay and harassment in corrections etc. to the common citizens. So as to avoid this inconvenience caused to general public, RBD Division in this office is hereby required to forthwith return all such applications inappropriately referred to this office through a cyclostyled covering letter immediately within 03 days of receipt of such applications signed by the Research Assistant of RBD Division and a copy be invariably endorsed to applicant for information. All the Registrar/Sub Registrar of Births and Deaths are requested not to refer any such application for corrections for approval of the Chief Registrar/ Addl. Chief Registrar for Births and Deaths but may refer any specific application which requires specific advice only through the concerned Addl. District Registrar of Births and Deaths.

These instructions are issued with an objective to simplify and streamline the process of disposal of applications filed with various Registrar of Births and Deaths and it is expected that each of the authorities will cooperate in larger public interest and adhere to these instructions henceforth.
